**WE STAND
FOR CLEAN SPORT.
EVEN FOR
YOUR SKIN.**

Sport is the most beautiful thing in the world, and nothing must be allowed to pollute that beauty.

That is why, besides developing increasingly high-performance materials that have a low impact on the environment, we at Erreà are the first teamwear company in Europe to have been awarded **STANDARD 100 by OEKO-TEX®** certification. This certification sets extremely strict limits for substances harmful to health, which is why our fabrics are highly safe in all conditions.

With Erreà, sport and health run side by side.

errea.com/oeko-tex

We have obtained **ISO 9001:2015** certification because we undertake every day to monitor and improve organisation and control, optimise processes and reduce inefficiencies, thus boosting the quality of our products and services. This is not only an achievement, but a new beginning that allows us to remain aligned with the standards of the international market.

- govern the general terms and conditions of sale applied by ERREÀ SPORT SPA (hereafter referred to as ERREÀ);
- apply to the sale of Products (hereafter referred to as "PRODUCTS") and/or the supply of services of any type by ERREÀ following a specific request by the Client or following a specific agreement between both parties;

1.3 The GTC that are applicable to the order are, each time, effective at the date of the order, without prejudice to what is provided for under 1.2 above.

1.4 When signing and placing an order (or sending it in electronic form) the Client integrally accepts ERREÀ's GTC.

1.5 The dealers, distributors, and/or external agents collaborating with ERREÀ are in no way entitled to bind ERREÀ, unless express approval in writing is given by ERREÀ.

ART. 2 ORDERS

2.1 The orders:

- shall either be sent in writing or entered and submitted on-line;
- shall be complete in all of their parts;
- shall contain all the necessary elements to guarantee proper identification of the Client and of the ordered products;
- are an irrevocable contractual proposal;
- shall be binding for ERREÀ only once they have been confirmed in writing (the execution of the order amounts to confirmation and acceptance).

2.2 ERREÀ reserves the right to:

- reject orders that turn out to be incomplete, not duly filled in or, including but not limited to, orders which create confusion with regard to the Products ordered and those included in the price lists or set forth by previous agreements;
- inform the Client in case of non execution of the order or where the order cannot be executed for any reason, by suggesting a possible alternative solution.

2.3 In order to duly complete the order the Client shall:

- use the code and the description of the products if listed in the ERREÀ price lists;
- provide detailed information for the products that are not included in the catalogue.

2.4 Any amendments and/or cancellation of the order by the Customer shall have to be approved in writing by ERREÀ;

- depending on technical possibilities;
- depending on technical possibilities;
- after communication of any possible differences in price and subsequent confirmation to be still interested in the purchase by the Customer.

ART. 3 PRICE LISTS AND OTHER ADVERTISING AND PROMOTIONAL MATERIALS

3.1 The ERREÀ price list (hereafter referred to as Price list):

- is that which is shown on the ERREÀ web site at time of ordering
- does not constitute a formal offer
- is merely indicative
- can be unilaterally modified by ERREÀ without notice.

3.2 Before placing any order the Clients shall be sure of the validity of the official printed price lists they possess.

3.3 Information contained in ERREÀ price lists, catalogues, documents, and promotional materials have a merely indicative value and shall only bind ERREÀ after due acceptance.

3.4 As far as the sale of customised products is concerned, the price list only represents a reference base for price quotation.

ART. 4 PRICES

4.1 All prices are intended:

- in PLN
- to the public
- exclusive of
 - any indirect tax being effective at the moment of delivery;
 - Carriage charges;
 - insurance;
 - charges for services required by the Client.

4.2 Prices for the Products included in the catalogues are:

- intended for sale 'per item quantity';
- exclusive of charges for possible processing required by the Client.

4.3 For the Products that have undergone a special processing as required by the Client or that are not included in the catalogue, the price shall:

- be different with respect to the price included in the price list;
- be communicated by ERREÀ in relation to the order placed.

ART. 5 SHIPPING

5.1 Every shipment shall be intended as FCA – FREE CARRIER ERREÀ SPORT SPA, unless otherwise agreed upon

5.2 All charges and risks relating to:

- transportation
- insurance
- other charges for services necessary and/or required by the Client

5.3 Any expenses for charges and risks will only be incurred by ERREÀ in the name and on behalf of the Client to whom they shall subsequently be charged.

5.4 The transport charges incurred by ERREÀ on behalf of the Client shall be charged within the relevant invoice.

5.5 Transportation. Transportation will be entrusted to a carrier chosen by ERREÀ, who shall then act as simple agent for the Client. In case the Client makes the decision either to collect the goods directly or through their own carrier, they shall:

- duly specify it in the order;
- collect the Products no later than 5 (five) working days from the date of availability of the product at the ERREÀ warehouse.

Should the client fail to collect the goods within the above mentioned period, ERREÀ may dispatch the goods to the Client's address and charge the costs to the relevant invoice. Should this also prove to be unfeasible, ERREÀ will carry the goods to an external warehouse, thereby being relieved from any obligation and will subsequently charge the relevant costs to the Client.

- pay for the transportation charges.

5.6 Any and all carriage charges, except for what is provided for under art. 5.4, and risks, including but not limited to, those relating to shipping delays, product shortages, deterioration of goods and unclaimed goods at the warehouse, shall always be exclusively charged to the Client, even in the following cases:

- CLIENT's refusal to receive delivery from the carrier;
- Impossibility of finding the CLIENT during the working day, in working hours;
- in the case of cash on delivery, non delivery by the carrier following the refusal by the Client to pay for the goods by complying with the agreed upon terms and conditions

5.7 ERREÀ reserves the unquestionable right to carry out partial deliveries.

5.8 Special terms and conditions of sale must be previously agreed upon and accepted in writing by ERREÀ.

5.9 The delivery terms shall:

- be indicated in the relevant order confirmation
- be subject to possible modifications by ERREÀ following specific and actual needs, without prejudice to what is provided for under 5.12 below.

5.10 In case of interruption and/or hindrances in the production due to reasons that are outside of ERREÀ's control, ERREÀ reserves the right to cancel both production and delivery. ERREÀ also reserves the right to modify their own Products, due to in-house production needs, provided that the performance and/or the specifications of the Products are not substantially altered. In both cases the Client shall not be entitled to any damage compensation.

5.11 ERREÀ reserves the right, at their sole discretion, to suspend goods production and/or delivery, should they deem the Client's conditions to be such as to render it difficult to obtain the price requested.

5.12 The Clients shall not be entitled to refuse to collect the Products, nor shall they put forward any claims for damages or reimbursement in cases where deliveries are delayed for less than 90 (ninety) working days with respect to the scheduled date.

ART. 6 SPECIAL OFFERS AND FREE GOODS

6.1 As far as special Offers are concerned, the orders shall be executed:

- depending on the availability of Products in stock;
- until the relevant Product stock is sold out.

6.2 Products transferred as free goods or on any similar account shall not be replaced, for any reason.

ART. 7 COMPLAINTS AND RETURNS

7.1 The Client shall immediately check the condition and conformity of the products upon receipt/collection of the Products.

7.2 All complaints relating to product nonconformity with the order, even as far as external appearance or defects are concerned, shall be made in writing to ERREÀ no later than 8 (eight) days from receipt of goods. Complaints relating to nonconforming quantities with respect to the quantities on the delivery note must, instead, be communicated no later than 2 (two) days from receipt of goods. Should such periods be exceeded, ERREÀ reserves the right not to authorise the return of goods and/or to reject the complaint.

7.3 Drawings, Photographs, Pictures, and Descriptions contained in the ERREÀ material are merely indicative; hence any possible nonconformities do not entitle the Client to either make a complaint or reject the Products.

7.4 When a return is requested for any reasons which are not to the fault of ERREÀ, Erreà reserves

the right to accept the goods, but any credit notes will be subjected to a reduction of not less than 30% in relation to the original invoice price to cover handling and any other cost incurred by ERREÀ. It is intended that any return of products acquired more than two years before the (corresponding) request shall not be deemed acceptable.

7.5 When a return is requested for any reasons which are Erreà's responsibility, ERREÀ at their sole discretion reserves the right to either replace the products or reimburse the Client and thereby excluding any other possible claims for indemnification and/or damage compensation by the Client. The Client though is still obliged to pay for the set price as per the agreed terms and conditions.

7.6 Complaints concerning Products that have undergone any kind of transformation and/or processing by the Client shall not be deemed acceptable.

7.7 Management of Returns.

Products returns shall be authorised in writing by ERREÀ after receiving the relevant returns request form duly filled out and signed by the Client and submitted either via fax or via e-mail within the set period. The said form is enclosed within the price lists or can be sent upon request. The collection by ERREÀ of Products that have been contested, but the return of which has not been duly authorised, shall not constitute acceptance. The Products returned by the Clients without due authorisation will be kept at the disposal of the Clients at their own risk, and relevant carriage, storage, and management costs shall be charged to the Clients. The return of products to the Clients shall be governed by the same rules as those that govern Products Delivery. In cases where the goods returned by the Client differ from those authorised by ERREÀ and where the Client does not intend to withdraw the goods at their own expense, ERREÀ shall be entitled to destroy the goods 5 (five) days after sending due notice to the Client specifying the non-authorisation of the return.

- Any return of unsold goods as well as of promotional products shall be expressly denied, without prejudice to what is provided for under 7.4 above.

- Any return of customised products shall not be accepted, unless in case of apparent manufacturing defects or true nonconformities with respect to the order placed.

- Returned products shall be sent, carriage paid, to ERREÀ's warehouse no later than 10 (ten) days from the date of return authorisation.

- Customer must ship returned products to ERREÀ packaged properly, preferably in their original packaging, and complete with every part and accessory. The products shall show no tampering or damage except for the contested manufacturing defect. Goods returned in either open or damaged packages shall not be accepted.

The credit note for returned and accepted goods shall be issued on the basis of the sales price applied to the Client upon delivery.

- The return form shall be properly filled in its entirety. Especially, the customer shall specify the number and date of the invoice referring to the returned products. In the absence of such references, Erreà reserves the right to credit the amount of the product invoiced within the two previous years.

ART. 8 GUARANTEE AND LIMITS OF RESPONSIBILITY

8.1 ERREÀ only guarantees the Products it distributes against possible flaws deriving from production defects.

8.2 ERREÀ only guarantees the material integrity of Products upon delivery (hereafter referred to as the "ERREÀ's Guarantee"). Possible defects covered by ERREÀ's Guarantee must be communicated by the Client, under penalty of forfeiture and in accordance with art. 7 above, no later than 8 (eight) days from the date of delivery.

8.3 In case ERREÀ's Guarantee is valid, the Client, without prejudice to what is provided for by art. 7.5 above, shall only be entitled to the replacement of the damaged products with identical products or with similar items agreed upon with the Client, should the same products be unavailable and they shall not be entitled to any further compensation for damage.

8.4 Shipment charges necessary for the replacement of Products shall be charged to ERREÀ.

8.5 ERREÀ shall offer on Products no guarantees other than those offered by the individual suppliers.

8.6 Without prejudice to the case of wilful misconduct or gross negligence by Erreà, it is agreed that, if ERREÀ is found to be responsible in any capacity against the customer - including the case of default, in whole or in part, the obligations by Erreà to the Customer as a result of the execution of an order - the responsibility of Erreà cannot be higher than the price of the Products purchased by Customer and for which the dispute arose.

8.7 The above guarantees shall not become effective, should the Client fail to make the relevant written complaint according to the provided for terms.

8.8 To prevent the guarantee from becoming void, the Client must send back to ERREÀ the products in adequate and whole packages in accordance with the terms and conditions specified under art. 7.7 above.

Pursuant to articles 1341 and 1342 of the Italian Civil Code, the Client declares to have read and understood and to specifically accept the following clauses of the ERREÀ's General Terms and Conditions of Sale: Art.5 (Shipping), Art.7 (Complaints and Returns), Art.8 (Guarantee and Limits of Responsibility), Art.9 (Terms of Payment), Art.10 (Patents, trademarks, distinctive signs, Software), Art.12 (Court of Jurisdiction),

ART. 9 TERMS OF PAYMENT

9.1 All payments shall be made in compliance with the terms and conditions specified in the order confirmation. ERREÀ reserves the right to modify at any moment the terms of payment granted to the Client.

9.2 Should the Client exceed the commercial credit limit granted by ERREÀ, the latter reserves the unquestionable right to suspend the execution of all orders exceeding the value of the granted credit.

9.3 The Client shall be bound to the payment of products ordered and delivered pursuant to the GTC.

9.4 Failure to pay the price, either totally or partially, by the Client shall entitle ERREÀ to suspend the production of orders that have already been confirmed and/or the deliveries of available Products until such time as the Client will have paid in full all of the amounts due. After the payment by the Client, the dates for the delivery of the goods that are still to be manufactured might undergo some changes, but this will in no way entitle the Client to claim for any damage compensation.

9.5 Payments shall be made to the ERREÀ address or to the persons duly authorised by ERREÀ. Where this information is not available, it is the responsibility of the Client to contact ERREÀ in order to obtain this information.

9.6 Failure to pay on maturity shall entitle ERREÀ to charge late payment interest to the Client as provided for by Directive nr. 2011/7/EU

9.7 The Client shall not be entitled to make any compensations, withholdings or reductions, other than those duly set forth in a judgement after due proceedings or unless express written authorisation is given by ERREÀ.

ART. 10 PATENTS, TRADEMARKS, DISTINCTIVE SIGNS, SOFTWARE

10.1 The Client expressly acknowledges that the ERREÀ name and its registered distinctive signs, its graphic composition and the Know How relating to the supplied products are ERREÀ's intellectual and industrial property.

10.2 The Client, shall not be entitled to use, cancel, or remove any indication relating to patents, trademarks, commercial denominations or denominations of origin affixed by ERREÀ onto the supplied products, without prior written authorisation by ERREÀ.

10.3 The Client hereby declares to be well aware that the ERREÀ brand has acquired a remarkable symbolic value and conveys a high standard of quality and a professional image that are internationally recognized. The Client hence hereby undertakes and commits not to sell the ERREÀ products within the first 30 days of commercialisation of the products at a discounted price amounting to or exceeding 20% of the suggested selling price, unless otherwise agreed upon in writing with ERREÀ. In case of violation of this article by the Client, ERREÀ shall be entitled to stop supplying the Client, by also cancelling any possible confirmed orders, and this will in no way entitle the Client to claim for damage compensation.

10.4 The Client is expressly forbidden to copy ERREÀ's products.

ART. 11. CONDITIONAL SALE

11.1 All sales are subject to the bond of 'conditional sale' pursuant to art. 1523 of the "Italian Civil Code".

ART. 12. COURT OF JURISDICTION

12.1 Any and all disputes deriving from the GTC and/or from the orders executed according to the same CGV shall be heard exclusively by the Court of Parma (Italy). The languages of reference are Italian and English. The validity and the interpretation of the CGV, as well as the legal relationship between ERREÀ and the Client will be governed by Italian laws

ART. 13. PRIVACY

13.1 The Parties hereto declare they have duly received the information note in accordance with art. 13 of the Legislative Decree of 30 June 2003 n. 196 and they have been duly informed in particular about the purposes and the terms according to which their personal data will be processed for the purposes of the orders execution. The parties hereto acknowledge their own rights as set forth by art. 7 of said Decree, and give their consent, where necessary, to the processing of their data, as per the limits provided for by the law and for the purposes expressly indicated above.

ART. 14. VALIDITY

14.1 ERREÀ reserves the right to amend, supplement or simply update the terms and conditions contained in the document hereto. Any and all amendments shall be valid and binding as of the date of their publication in the WebSite www.errea.com.
