 - Returned products shall be sent, carriage paid, to ERREÀ's warehouse no later than 10 (ten) days from the date of return authorisation.
 - Customer must ship returned products to ERREÀ packaged properly, preferably in their original packaging, and complete with every part and accessory. The products shall show no tampering or damage except for the contested manufacturing defect. Goods returned in either open or damaged packages shall not be accepted.
- The credit note for returned and accepted goods shall be issued on the basis of the sales price applied to the Client upon delivery.
- The return form shall be properly filled in its entirety. Especially, the customer shall specify the number and date of the invoice referring to the returned products. In the absence of such references, Erreà reserves the right to credit the amount of the product invoiced within the two previous years.

WE
STAND
FOR CLEAN
SPORT.
EVEN FOR
YOUR
SKIN.

Sport is the most beautiful thing in the world, and nothing must be allowed to pollute that beauty. That is why, besides developing increasingly high-performance materials that have a low impact on the environment, we at Erreà are the first teamwear company in Europe to have been awarded **STANDARD 100 by OEKO-TEX®** certification.

This certification sets extremely strict limits for substances harmful to health, which is why our fabrics are highly safe in all conditions.

With Erreà, sport and health run side by side.
